

NCNG Resilience Coordinator Active Duty Operational Support Tour

Projected Tour Dates: 15 November 2013 – 30 September 2014

Rank Requirement: North Carolina Army National Guard Soldier, E7-E8; CW3-CW4; O3-O4

Duty Location: State Resilience Program Office, J9 Soldier & Airman Support Services, JFHQs, Raleigh, NC

Application Package:

1. Bio Sketch
2. Resume
3. Previous 3 NCOERs/OERs (as applicable)
4. DA Form 705, or equivalent proof of Passing APFT
5. Master Resilience Trainer Qualification

Recommended Experience:

1. Well developed administrative skill set. Should include use of Excel, Outlook, and NC-ARNG network applications
2. Significant experience training Soldiers. Experience should include training at various levels, and to various audiences
3. Excellent interpersonal communication skills.

Program Objectives: Each State's RC and applicable team of assistants must manage the Master Resilience Trainer (MRT) population, coordinate training within the State, and manage Resilience Trainer Assistant (RTA) training. Execute Comprehensive Soldier and Family Fitness (CSF2) program to increase the physical and psychological health, resilience, and performance of Soldiers, Families, and Army Civilians. The metrics used to measure this objective is the Global Assessment Tool (GAT), which assesses an individual on the five dimensions of strength: physical, emotional, social, spiritual, and Family.

Duties and Responsibilities:

1. Each State's RC and applicable team of assistants must manage the MRT population, coordinate training within the State, and manage Resilience Trainer Assistant (RTA) training.
2. Ensure every Soldier within the State, regardless of status, receives 14 MRT skills annually.

3. Facilitate the flow of information on resilience training and doctrine within the State as well as between the State and ARNG-HRS-R.
4. Serve as the Subject Matter Expert (SME) on resilience and participate in various health promotion task forces and initiatives in accordance with the Ready and Resilient Campaign.
5. Manage and track the training of subordinate unit MRTs/RTAs, both projected and trained.
6. Monitor the MRT and RTA production rates against the annual mission and MRT end-strength requirement.
7. Ensure maximum participation in MRT Courses (MRT-C)
8. Coordinate, conduct, and monitor RTA training within the State including Family Readiness Groups (FRGs)
9. Provide Deployment Cycle Support (DCS) requirements and help coordinate external agency support within DCS activities.
10. Coordinate and monitor completion of GAT within the State
